 - A. Kindergarten-1st Grade
 - 1. This is a skill building fundamental league that is designed to teach our players the skills of basketball.
 - 2. The skills of dribbling, shooting, and passing should be reinforced throughout the game. Players at this level are still learning about spacing out, sharing (passing), and dribbling. Most players will catch the ball (rebound), run out of the group, dribble once or twice, and run to their hoop and shoot. We hope that by the end of the league players will be able to perform more of the skills in the game of basketball.
 - 3. Full court press is not allowed. Defense should be played after the ball has crossed the center court line. Keeping the defense inside the painted free throw area while the offense dribbles and passes and shoots is preferred.
 - 4. Stealing is not allowed. Loose balls may be grabbed by either team but defensive players shouldn’t pull the ball out of an offensive player’s hands or try and swat the ball out of their hands.
 - B. 2nd-3rd Grade
 - 1. This is a skill building fundamental league that is designed to teach our players the skills of basketball.
 - 2. The skills of dribbling, shooting, and passing should be reinforced throughout the game. Players at this level are still learning about spacing out, sharing (passing), and dribbling. Fouls and violations will be called when it directly impacts the game. (Ex. If a players is dribble before the center court, double dribbles once and then continues to dribble a violation

will not be called. Ex. If a player runs with the ball for 10 steps, dribbles once, and runs again a traveling violation will be called.)

3. Violations that involve physical contact against another player (blocking, pushing, etc.) will be enforced.
4. Full court press is not allowed. Defense should be played after the ball has crossed the center court line. Defense may attempt to steal the ball after the center line is crossed.
5. Free throws will not be shot. After a foul the offended team will take the ball out of bounds.
